Closures during April

The nursery will be closed on Good Friday and Easter Monday.

Paying Nursery Fees

Nursery fees are paid in advance on the 1st of each month. A small reminder that late fees will incur a 20% charge. If fees are consistently late your child's space will be suspended and, in some circumstances, terminated.

Contacting the Nursery

Please remember the best way to contact the Nursery is by phone during working hours 8:00am – 5:30pm. We don't always see Facebook messages until the end of the day.

Please refrain from contacting staff members on personal accounts.

Messages received outside of working hours will be responded to the next working day.

Funded Hours

You are able to access the Childcare Offer for Wales here. During school term time you can access 20 hours of funded childcare, and during school holidays you can access 30 hours of funded childcare. Applications are now open for children with a date of birth between 01/01/2016 – 31/03/2016. The children will be eligible for the offer after the Easter Holidays, which is Monday 29th April. For more information please contact Laura. The Childcare Offer application form is available on the website.

Child-led Learning

As a setting we follow the child-led learning approach. This is a precise and detailed method of planning for children's learning, and is carried out 'in-the-moment' through each child's interests. We record our activities and link these to each area of learning to a number of curriculums. If you wish to see this, please ask your child's Key Worker, or Lisa our planning coordinator.

Gate Bolt

We have fitted a new bolt on the nursery gate, please remember to lock it each time you arrive/leave the nursery.

Thank you for your continued support,

Laura and Gaz x
